Programs	Services	Special Events
<p>Discovering Together (Newborn to six years) Children interact with a variety of materials in various activity centres. The focus is on building and construction, basic math concepts and simple experiments. Come discover with us!</p> <p>Play and Learn (Newborn to six years) Children and caregivers are encouraged to explore play opportunities through various interactive early learning activities. Also includes a circle story time.</p> <p>Rhythms and Movement (Newborn to six years) Children engage with various creative movements designed to promote physical activity, coordination and balance.</p> <p>Roots of Reading (Newborn to six years) Join us for stories, songs, puppet plays and action rhymes. Brampton Library's <i>Roots of Reading</i> program promotes the importance of reading and highlights six essential literacy skills for children to develop reading and writing readiness. Children and caregivers are sure to enjoy this library story time!</p> <p>Fun With Numbers (Newborn to six years) 1...2...3! Children practice counting, matching, recognizing patterns and explore other math concepts.</p> <p>Let's Create (Newborn to six years) Think it! Build it! Take it home! Let your child's imagination run free. This program allows children to create mini-projects for home.</p> <p>Ready, Set, Learn (Four to six years old) Helping to prepare your child for school. It focuses on literacy, math concepts, science and developing social skills for kindergarten classes. Join your child as they progress towards school readiness.</p> <p>Hour Together (Parents & caregivers with children up to six years) This is a time for parents and guardians to connect with other caregivers. Caregivers share their skills on a variety of topics based on individual and group needs. <i>Childminding is provided for children newborn to six years old during this session. Spaces are limited.</i></p>	<p>Speech and Language Pathologist* Do you have a concern about your child's speech?
